

OUR SERVICE TO YOU

The name **Rockwealth Properties** was inspired by the desire to see people build wealth on a rock. You can do this through strategic planning so that pieces of the puzzle fit nicely together to achieve Your Big Picture.

Here's where we can fit into your journey:

Sales - Buying or Selling

Whether you are buying or selling your property, we are here to partner with you so that you can achieve the best result possible. Over 20 years knowledge and experience.

Rentals – Property Management

We don't just manage your property, we also care for your property like it is our own. We ensure that the tenants are happy and keeping to their obligations.

Renovation Project Management

If you are looking to renovate your property big or small, but don't have the time or the resources to do it, we are here to help.

Property Maintenance

Our in-house Handy Man service provides you (our client) peace of mind by making sure that your property is maintained in good condition.
