

"Pay it Forward and Make a Difference"

When you engage Rockwealth Properties as your agent, whether you are Buying, Selling, or Renting your property, you are partnering with us to make a positive difference in the world.

Communities we support:

Eliminating poverty through Social Business Loans
"teach a man/woman how to fish and you feed them for a lifetime"

Grameen Australia is leading the way in the development of Social Businesses to provide employment for the poor and give them the skills and financial responsibility to escape poverty permanently.

A HOPE MORE POWERFUL THAN PROVERTY

Feeding children, building water wells, school funding,
are just some of the things Compassion does for struggling families.

Join our community of 'Hope' and help us create better opportunities for people who are less fortunate. Visit our website for more information.
